DELMARVA POWER& LIGHT COMPANY**

Delmarva Power & Light Company (“Delmarva”), by and through its undersigned counsel, and pursuant to 26 *Del. Admin. C.* 1001 §2.9, respectfully petitions for leave to intervene as a party in the above-captioned proceeding.

In support of its Petition, Delmarva states as follows:

1. Delmarva is a public utility regulated by the Delaware Public Service Commission (“Commission”); it provides gas and electric service to customers in Delaware, and has its principal place of business in Newark, Delaware.
2. On December 21, 2015, Chesapeake Utilities Corporation (“Chesapeake”) filed a petition with the Commission seeking an increase in its natural gas rates and approval of certain other changes to its natural gas tariff.
3. The proceeding has been designated PSC Docket No. 15-1734 and, pursuant to Order No. 8848 dated January 19, 2016, the Commission has set February 26, 2016 as the deadline for filing petitions to intervene in this docket.

4. Delmarva's regulated gas business provides gas distribution services to approximately 129,000 gas customers in Delaware. Delmarva is also a customer of Chesapeake's affiliated company, Eastern Shore Natural Gas. As a neighboring natural gas distributor to Chesapeake's natural gas distribution service area, and as a gas customer of one of Chesapeake's affiliated companies, Delmarva has a unique interest in this docket.

5. None of the other parties who have intervened or who are likely to intervene in this proceeding have interests that are identical to the unique interests of Delmarva. Delmarva's interests in this proceeding will not be adequately represented without being granted intervenor status. Moreover, the public interest will be served by Delmarva's participation as a party to this proceeding.

6. Pursuant to 26 *Del. Admin. C.* 1001, §2.9.1.1, Delmarva designates the following as contacts in this proceeding and requests that they be placed on the official service list for this proceeding:
